

Musician Portfolio Website Builder

Welcome to the Musician Portfolio Website Builder—a simple, fast, and intuitive tool designed to help musicians create their own professional online presence. Follow this step-by-step guide to build, customize, and publish your portfolio website effortlessly.

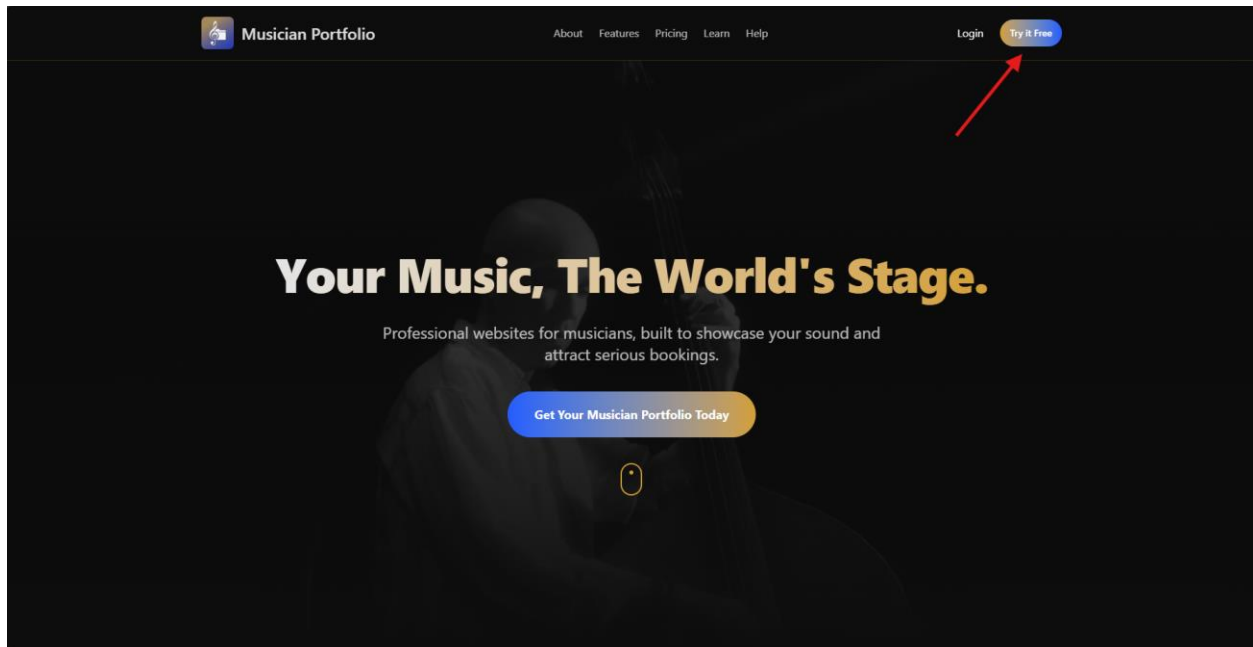

1. Landing on the Website

When you visit the main landing page, you will see an overview of the platform features and the option to begin your portfolio creation journey.

2. Click on “Try it Free”

Click the **Try it Free** button to move forward with creating your account.

3. Registration

You will be redirected to the **Registration Page**.

Fill in your basic details (name, email, and password) and complete the signup process.

The screenshot shows the 'Join Musician Portal' registration page. The header is dark with a logo on the left and the title 'Join Musician Portal' in bold white text. Below the title, a subtitle reads 'Create your account and start building your portfolio.' The main content area is a dark gray box with a white border. It contains four input fields: 'Full Name' with a placeholder 'Your name', 'Email Address' with a placeholder 'you@example.com', 'Password' with a placeholder 'Create a strong password', and 'Confirm Password' with a placeholder 'Confirm your password'. Each field has a small icon to its left. At the bottom of the form is a yellow button with the text 'Create Account' and a small icon. Below the button, there is a link 'Already have an account? Sign In' and a link '~ Back to Home'.

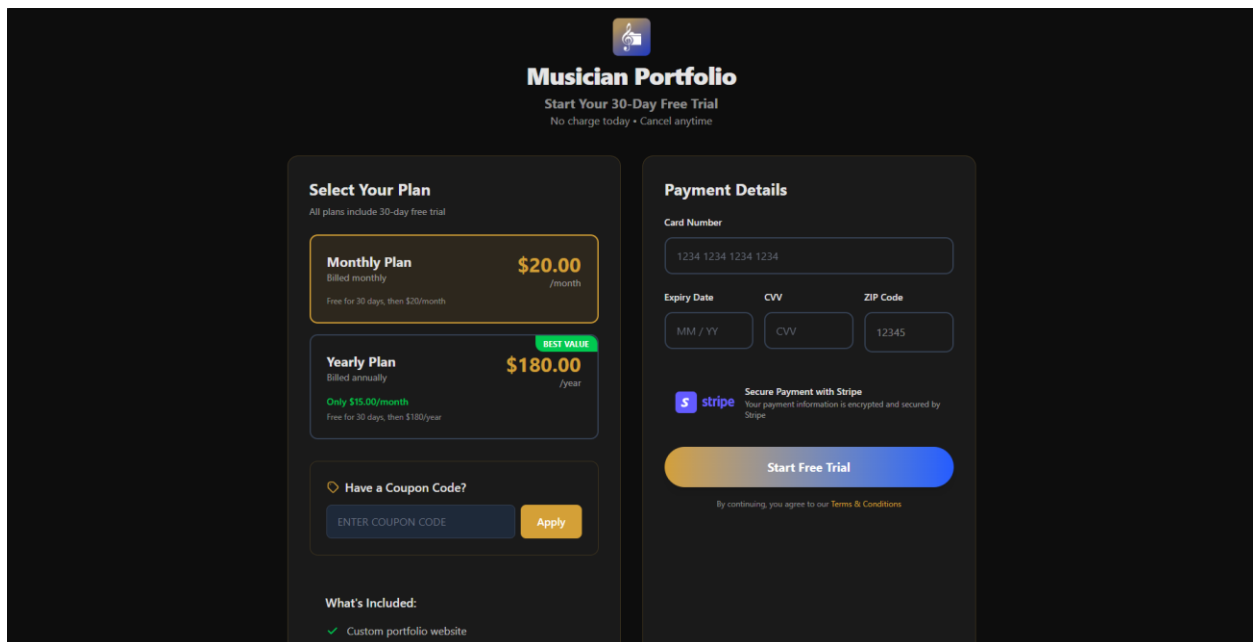

4. Choose a Plan & Complete Payment

After successful registration, you will be automatically taken to the **Payment Page**.

Here you will:

- Select your preferred plan
- Enter your card details:
 - **Card Number**
 - **Expiry Date**
 - **CVV**
 - **ZIP Code**
- Click **Pay / Complete Payment**

Once the payment is successful, your account will be activated.

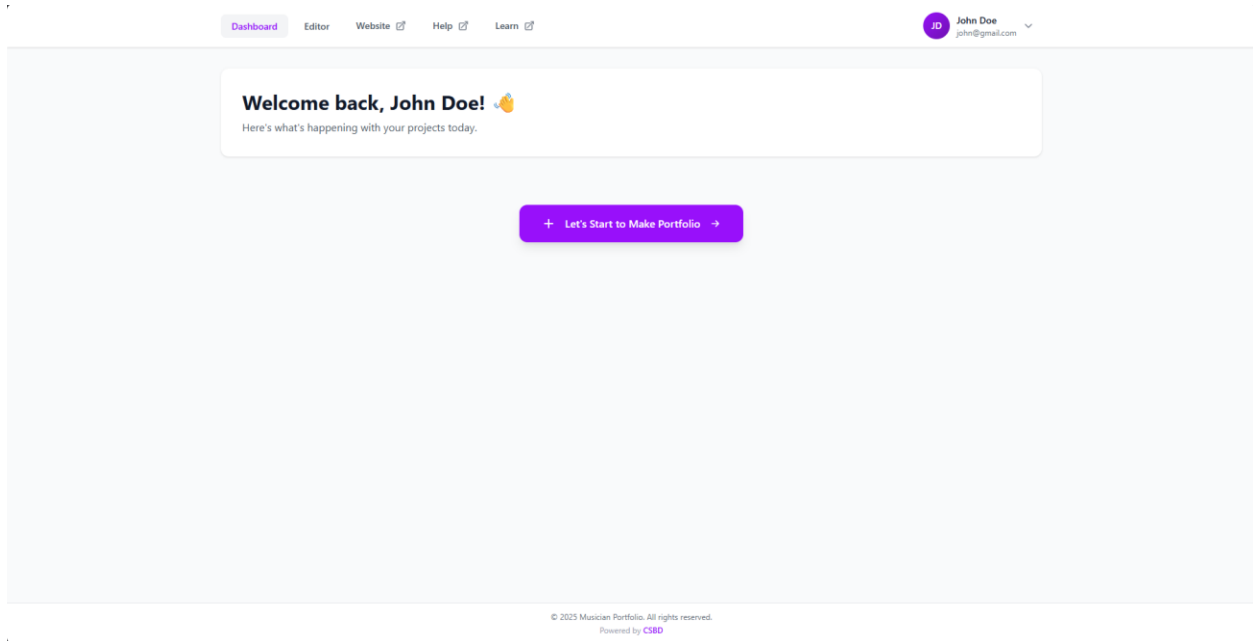

The screenshot displays the 'Musician Portfolio' payment interface. At the top, a logo with a musical note icon is followed by the text 'Musician Portfolio' and 'Start Your 30-Day Free Trial' with subtext 'No charge today • Cancel anytime'. The main content is divided into two panels. The left panel, titled 'Select Your Plan', notes 'All plans include 30-day free trial' and offers two options: a 'Monthly Plan' for \$20.00/month (billed monthly, free for 30 days then \$20/month) and a 'Yearly Plan' for \$180.00/year (billed annually, only \$15.00/month, free for 30 days then \$180/year). The yearly plan is marked as 'BEST VALUE'. Below the plans is a 'Have a Coupon Code?' section with an input field and an 'Apply' button. At the bottom, 'What's Included:' lists 'Custom portfolio website'. The right panel, titled 'Payment Details', contains input fields for 'Card Number' (1234 1234 1234 1234), 'Expiry Date' (MM / YY), 'CVV' (CVV), and 'ZIP Code' (12345). It also features the Stripe logo, a 'Secure Payment with Stripe' message, and a large 'Start Free Trial' button. A footer note states 'By continuing, you agree to our Terms & Conditions'.

5. Accessing the Dashboard

After payment, you will be redirected to your **Dashboard**.

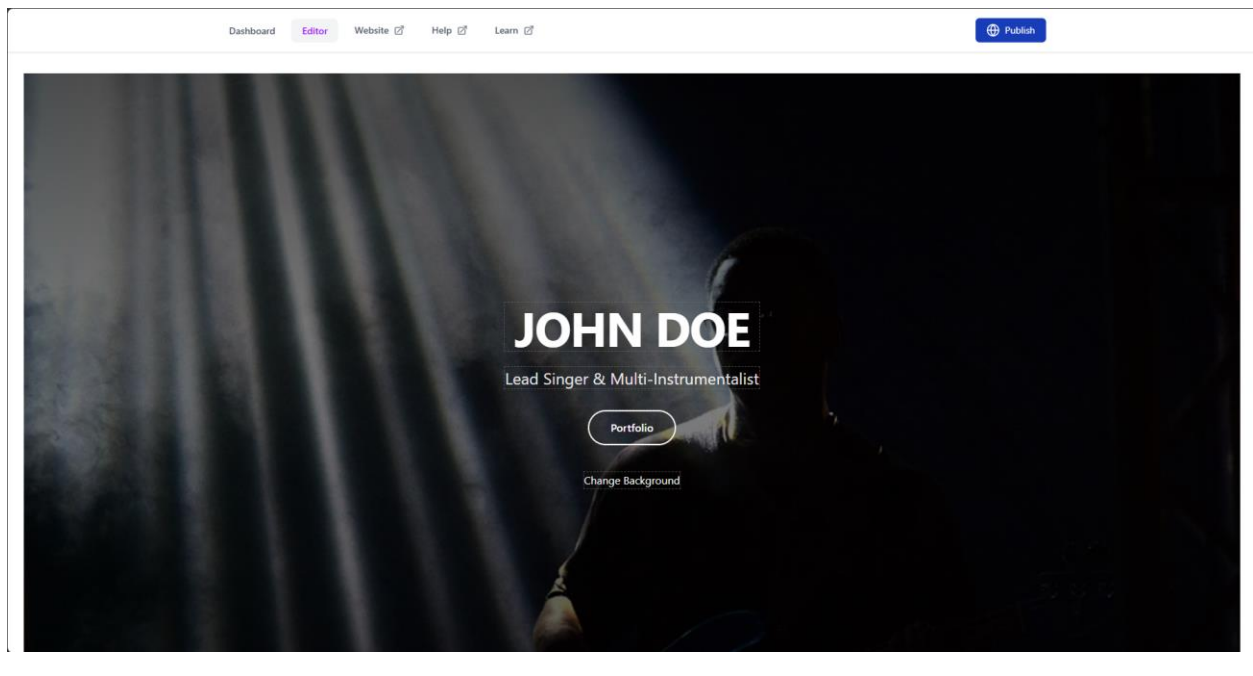

This is your main control panel where you can edit and manage your portfolio website.

6. Editing Your Portfolio (Editor Tab)

In the **Editor** section:

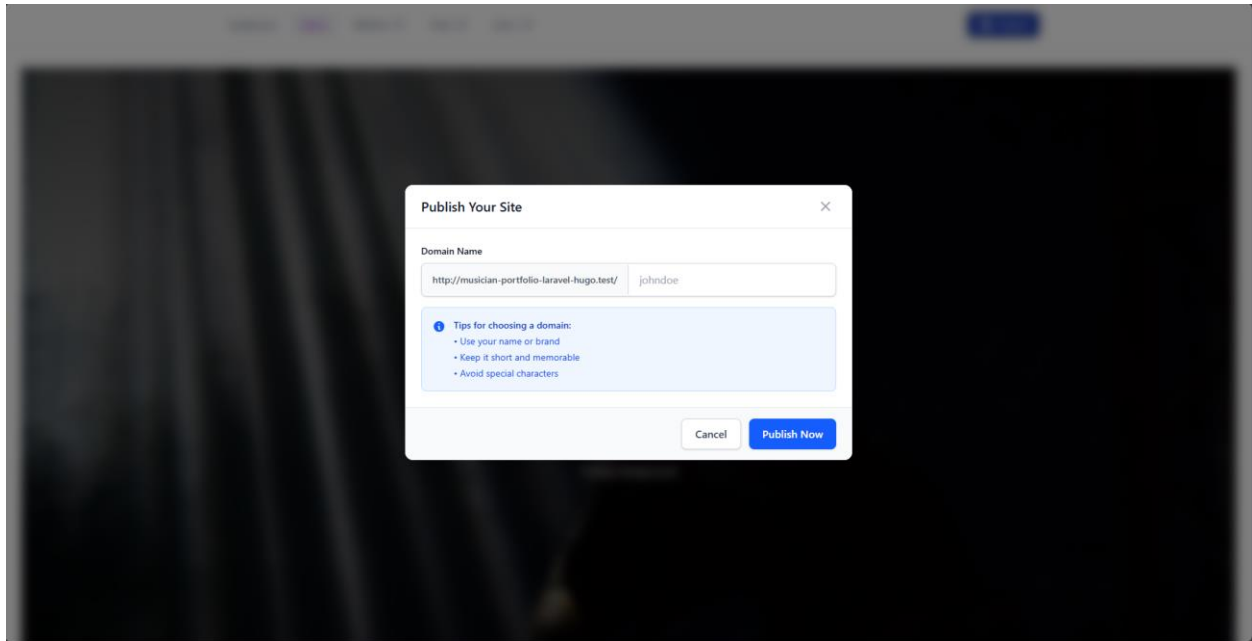

- Every editable section is highlighted with a **border**.
- Click on any bordered area to change text, images, links, or other content.
- Update as many sections as you like—there are **no limits**.

7. Publish Your Website

When you're satisfied with all the edits:

1. Click the **Publish** button.
2. Enter a **Route Name** (this will become the URL for your portfolio).
 - Example: if you enter *john-doe-music*, the published link will be something like **yourdomain.com/john-doe-music**

8. Submit to Publish

After entering your route name, click **Submit**.

Your website will be published within **a few seconds**, and you can share the link immediately.

9. Unlimited Edits Anytime

You can return to your dashboard and update your portfolio whenever you want.

All edits are **unlimited** and can be republished instantly.
